DETAILED ACTION

Applicant's amendment filed on 23 September 2005 has been fully considered. Claims 1, 3-22 and 25 are therefore allowed with the additional limitations included.

Drawings

The replacement drawing was received on 23 September 2005. These drawings are approved by the Examiner.

Examiner's Statement Of Reasons For Allowance

The following is an examiner's statement of reasons for allowance:

Claims 1, 3-5 and 8-9 are allowed. Previously objected claim 2 has been rewritten in independent form as currently amended claim 1 to include all of the limitations of the base claim and any intervening claims and is now in conditions for allowance. Claims 3-5 and 8-9 are dependant on amended claim 1 and are therefore also allowable.

Claims 6 and 7 are allowed. Previously objected claim 6 has been rewritten in independent form to include all of the limitations of the base claim and any intervening claims and is now in conditions for allowance. Claim 7 is dependant on amended claim 6 and is therefore also allowable.

Claims 22 and 25 are allowed. Previously objected claim 24 has been rewritten in independent form as currently amended claim 22 to include all of the limitations of the base claim and any intervening claims and is now in conditions for allowance. Claim 25 is dependant on amended claim 22 and is therefore also allowable.

Claims 10-21 have been allowed in the previous Office action, mailed 20 June 2005, paper number 062005.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Tina M. Wong whose telephone number is (571) 272-2352. The examiner can normally be reached on Monday-Friday 8:30-5:30.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Rodney Bovernick can be reached on (571) 272-2344. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free).
